VINIFICATION

The blend consists of 60% Cabernet Sauvignon, 20% Pinotage and 20% Merlot. The cultivars of the selected vineyards were fermented and matured separately. After a period of about 15 months in 2nd and 3rd fill barrels, the cultivars were then blended together.

PRODUCT DESCRIPTION

A flavoursome, easy drinking red wine with well rounded tannins. Cabernet gives structure and herbaceousness to the blend, while Merlot and Pinotage bring loads of berry-choc complexity to the wine. Ready to be enjoyed immediately, but will also mature well.
